<b>Brent Buehrer</b>	<b>Tracey Elmore</b>
<p><b>Education:</b> Licensed Architect State of Ohio Bachelor of Science in Architecture The Ohio State University 1982 Maumee City School Graduate, Eagle Scout</p> <p><b>Current Occupation:</b> Architect</p> <p><b>Qualifications:</b> Maumee City Council President with 20-years' service on Maumee City Council, Small Business Owner</p> <p><b>Questions:</b></p> <p>1) Negotiating a fair municipal water agreement with the City of Toledo or the City of Bowling Green. The citizens of Maumee have paid higher rates for years to assist the City of Toledo in maintaining this regional water system. Unfortunately, the surrounding communities who helped maintain the system with higher rates, haven't seen the dividends of such an investment. Now once again they're being asked to assist in the these efforts with little insurance that higher rates will be used for its intended purpose. I believe The City of Maumee needs to keep all options opens and be ready to make the tough decision which is in the best interest of their citizens.</p> <p>2) A wealth of experience both as a City Council member and as an Architect in solving problems with sound and well thought out solutions.</p>	<p>No Response Received</p>
