

LEAGUE OF WOMEN VOTERS
TOLEDO LUCAS COUNTY

ISSUE ENDORSEMENT POLICY

March 4, 2010

All parties supporting issues on the ballot requesting endorsements from the League of Women Voters of Toledo-Lucas County are asked to make their initial request in writing 45 days prior to an election. The request should include relevant information supporting the issue, including, but not limited to, funding resources and expected impact to the relevant community. The President will make the request known to the Board of Directors and general membership and the party making the request should present their points to the League at a board or general meeting, where endorsement or non-endorsement will be reached by consensus. Thereafter, a member of the Executive Committee will notify the petitioner of the decision.
