Current occupation: Attorney-at-Law

Qualifications: Experience at public hearings, court hearings, years of listening and solving problems.

Responses to Questions:

1) First and foremost would be maintaining public safety. We have proposed and the voters have voted for 24 hour police protection for the Township. The trustees also need to be good stewards of taxpayer dollars. Finally we need to maintain a controlled growth of the township in order to maintain its rural character.

2) Experience, listening and humility. I do not make a decision on a matter until I've heard the facts presented at a hearing or listened to both sides of the story.

Qualifications: Barbara has valuable team building, communication, and project development skills. As a graduate of The Ohio State Leadership Academy, a Board member of the Monclova-Maumee-Toledo Joint Economic Development Zone, and through working with the Lucas County Township Association she has learned to work effectively and efficiently using the strength of township government. Barbara has worked hard to represent the residents of Monclova. She is NIMS certified and over her tenure she has championed projects that grew township parkland, improved road safety, and strengthened fire and safety services.

Barbara Lang is a long time resident of Monclova Township moving into the Brandywine neighborhood in 1994. She also has had the pleasure of living in a more rural neighborhood of Monclova on Albon Road and recently returned to subdivision living and again resides at Brandywine. She is a dedicated volunteer and enjoys a variety of Northwest Ohio activities with her family.

Most important issues:

As trustee, Barbara Lang fights for the needs of residents. She is regularly involved in zoning issues and regards the topic as central to her platform. Lang believes in zoning that is business friendly yet protects neighborhoods as well as the rural nature of Monclova Township. During her time as trustee an updated zoning resolution was created. Visit www.monclovatwp.org to review the land use plan and new zoning resolution.

Additionally, Barbara Lang strives to maintain safety services with a strong contract with the Lucas County Sheriff and a dedicated fire department. Lang stands for a common sense approach to taxes with a focus on fiscal responsibility. This includes growing our JEDD and JEDZ.

Staying in touch with residents is paramount to the success of the community. A key component of local government is the ability of the elected official to be available, so please feel free to reach out with questions or comments at bsltrustee@aol.com.

Unique qualities:

Barbara began her tenure as a Trustee with the interest to preserve Monclova Township as a wonderful place to live, and has served the township's residents by listening to their concerns and issues. She remains committed to making sure the neighborhoods are represented in zoning matters, the roads are maintained and cleared, and that safety is a priority – all while using resources wisely. She is easy to reach, listens to concerns and works to build consensus.
